Hairs + fibres Canada 1/15/71

landlady, away from the window uh after Ray rented the room.

Now uh on this on this sofa you'll notice a little sofa sofa pillow here. Now this pillow, along with much other evidence, was sent to the FBI laboratories in Washington. Uh, on this on this pillow was found fibers which was definitely identified as being fibers from the bedspread which was which which was wrapped around the bundle which was dropped on Main Street, which I referred to. Also, on the sheet of the bed in this room uh there were fibers identified as being from this green bedspread found on the sheet on the bed in this bedroom. This bedspread did not come from this room. As far as we can determine, the
